Freight Charges

LTH

OGC HAS REVIEWED.

24 March 1949

MEMORANDUM FOR ASSISTANT DIRECTOR FOR SPECIAL OPERATIONS

Subject: Excess Freight Charges on Household Effects of

[REDACTED]

1. Reference is made to your memorandum dated 17 February 1949, subject as above. Your attention is also invited to the opinion of the General Counsel, dated 4 March 1949, copy attached. After a careful review of reference documents, it seems quite clear under existing regulations that the excess freight claimed in reference memorandum is not payable. It is not believed that the loss suffered by [REDACTED] in this instance resulted by reason of emergencies arising out of his service with CIA.

2. Will you please convey this decision to [REDACTED], with assurances that his request has been given very careful consideration.

(Signed)

R. H. HILLENKOTTER
Rear Admiral, USN
Director of Central Intelligence
